

2022 Free Income Tax Preparation Sites

The Volunteer Income Tax Assistance (VITA)/ Tax Counseling for Elderly (TCE)/AARP programs are free tax preparation services run by volunteers offered to families throughout Orange, Osceola and Seminole counties. Once filing season opens, our volunteers are available to help you file your taxes at a time and location convenient for you. VITA offers free tax help to those who make \$66,000 or less and need assistance in preparing their tax returns. IRS-certified volunteers will provide free basic income tax return preparation with electronic filing. We also provide other essential information, like special tax credits you may qualify for to maximize your tax refund. If you qualify for the Earned Income Tax Credit (EITC), you can get over \$6,935 back.

AARP Drop Off or Two Visit Scan Information:

DROP-OFF: You visit a Tax-Aide site and leave your tax documents with an IRS-certified volunteer. Your return is prepared by Tax-Aide volunteers working remotely. During a second visit, you work with a volunteer to finalize your return and file it. You leave with a printed copy of the return and your original documents.

TWO VISIT SCAN: You visit a Tax-Aide site, where a digital copy of your tax documents is created and stored in the IRS-provided software used to prepare your return. Tax-Aide volunteers then prepare the return remotely. During a second visit, you work with a volunteer to finalize your return and obtain a printed copy
