

STEPS to get STARTED

Enroll with Vocational Rehabilitation (VR) Services:

In order to receive employment services with Goodwill, registration will need to be completed with VR first.

Visit rehabworks.org to complete the enrollment form.

Goodwill will assist with completing the application and submitting it to VR.

A VR counselor will contact you and coordinate a time to meet and discuss the next steps.

A VR counselor will conduct an assessment to determine service eligibility.

Additional documentation from doctors, schools, jobs or other people may be required. Ensure all required documentation is provided timely and accurately. *(This process may take up to 60 days)*

You and your counselor will decide the most appropriate services based on your assessment.

An Individualized Employment Plan (IEP) is developed with your counselor to determine your employability goals, the steps you will need to get there, and the services you will receive.

(This process may take up to 90 days)

Upon plan completion, you will have the option to choose your preferred vendor.

As a VR vendor, Goodwill Industries of Central Florida provides On-the-Job training at all of our locations in our six-county region.

Goodwill Employment Specialists are trained and certified in providing one-on-one services to all clients, ensuring their success. Clients have the opportunity for employment at Goodwill. We also collaborate with other employers in the community.
